

Tour Name: Tulsa, Oklahoma Tour

Tour Length: Two-day, One-Night

Activity Level: Moderate

Enjoy a fabulous Tulsa Tour of the Art Deco Buildings with a stop at the Boston Avenue United Methodist Church. Famous for its Deco architecture, the story behind the building is even more fascinating. On to Mother Road Market!! Located on Route 66, the Mother Road, Mother Road Market is an incubator for restaurants. Located in a wonderfully rehabbed warehouse, guests are sure to find a cuisine to suit them!! Should you wish to visit one of Tulsa's premier museums, both the Philbrook Museum of Art and the Gilcrease Museum are World Class. At Philbrook Museum of Art, the Italianate villa sits among 18 acres of beautiful gardens and has a wonderful collection of art. Gilcrease Museum of Art boasts the largest collection of Remingtons and Russells in the World and offers art of all of the Americas. Thomas Gilcrease was a collector ahead of his time. The stories of both original owners of the museums makes the history of both attractions all the richer. Should you decided to have lunch at either museum instead of a standalone restaurant, with pre-planning, both can accommodate. This would add to the experience!
